

Parent Information

Welcome to TheirCare

TheirCare provides a stimulating and safe environment for all children, where children come and enjoy their time in a program that will engage and keep them active. During session time children develop life skills, friendships, confidence and creativity through play.

Our Philosophy

At **TheirCare** we pride ourselves on providing a safe, educational, stimulating, nurturing and caring environment. **TheirCare's** purpose is to incorporate the needs, interests and learning development of children whilst in our care, to ensure all children and families have a sense of belonging.

Engaging & fun

TheirCare Educators

TheirCare educators are motivated, well trained and professional and their focus is your children.

All team members have:

- Valid working with children checks (or equivalent)
- First Aid level 2
- Training in anaphylaxis and asthma
- CPR
- Food safety

Programming

Planned and unplanned activities are available at every session. Activities are planned based on the childrens' interest, needs and developmental stages.

Examples:

- Cooking experience
- Science experiments
- External workshops (incursions)
- Day to day activities such as Lego, building blocks, drawings, creative play and dance
- Themes
- Art and craft
- Physical activities (outdoor play)
- Music and dance
- Environment

It's all about the fun

Whether it is before school care, after school care or our awesome holiday programs, your children will be engaged.

Our spaces are clean and inviting and we invest in quality resources that are replenished to keep you children active and engaged.

Care Policies

Food

All cultural needs are considered.

Before school care meals include a selection of cereals, wholemeal bread, fruit and milk. Sometimes we offer alternatives such as pancakes and toasties.

After school care meals can include fresh vegetables, fruit, fresh sandwiches, wraps, dips, crackers, rice, pasta and soups.

Medical Conditions

All children with asthma, allergies and anaphylaxis **MUST** provide the service coordinator with a medical action plan signed by a Doctor. The medical plan must be updated every 12 months and an acknowledgement must be signed on a yearly enrolment form if no changes to the medical action plan have been made.

Medication

All children with asthma, anaphylaxis and allergies **MUST** have the medication at the service. Children with medical conditions that attend with no action plan or medication will be sent home.

If your children require once off medication, a medication authorisation form will need to be signed by the parent/guardian and medication **MUST** be labelled with the child's name, required dosage, time, date and storage requirements.

Collecting Your Child

TheirCare has prepared a drop off and collection policy specific for each School and it is important you follow this at all times. A copy of the policy is on display at the service or is available from your service coordinator. Importantly:

All children must be signed out by an authorised person listed on the enrolment form as an emergency contact person.

- Parents or guardians must inform the service coordinator if an alternative person will be picking up the child/ren, including their details.
- If the person picking up the child/ren is NOT on the enrolment form they must provide identification on arrival. NOTE: if the service has not been informed of the person picking the child up the child will NOT be released.
- **TheirCare** will not allow child/ren to walk home unsupervised from the service.

Feedback

TheirCare welcomes all feedback. We accept direct feedback to the service coordinator or escalated to the area manager and we also provide a feedback dropbox on our website for anonymous suggestions. We see this as a source of partnership driving to improve or maintain quality at each service,.

Legislated Requirements and Compliance

TheirCare is guided by the National Quality Standards and My Time, Our Place framework. Regular audits of performance are conducted by both service coordinators and operations management.

Privacy

TheirCare ensures your personal information is NOT shared. All hard copy material will be kept in locked storage and all data will be securely protected.

Using the Service

How to Enrol and Book

Full enrolment instruction can be found at www.theircare.com.au. Registration and service bookings/cancellations are easily managed through our convenient web portal.

Booking Your Child into a Service

Permanent bookings can be made on the same days every week that simply carry out throughout the year.

Casual bookings are irregular based on your needs. It helps us deliver a high quality service if you book in advance.

Late Booking

Late bookings may incur a late booking fee. Check your school's Program Information Flyer for further details.

Late Pick Up

A late pick up fee of \$1.00 per child per minute will be charged if a parent or guardian is late for pick up.

Cancellations

Bookings can be cancelled up to 24 hours before the session without charge. Cancellations within 24 hours of the session will incur a small cancellation fee.

Customer Service

Your **TheirCare** service coordinator is your primary contact for any assistance or to raise any concerns about bookings, fees or the program. A highly visible information board at your service contains an escalation path for any issue you believe has not been satisfactorily resolved.

How to Pay

Payments are made by Direct Debit from a nominated bank account. Parents are charged weekly in arrears with a statement available online.

Fee Assistance/Rebates

The Australian Government provides significant fee relief to Australian families who utilise approved childcare services via the Child Care Subsidy (CCS) program.

You **ONLY** pay the 'out of pocket' costs for your children to attend a **TheirCare** session. You will need a CRN (Centrelink Customer Reference Number) for yourself and your child(ren) and you have to update your details at my.gov.au. If you do not have a CRN you can apply via my.gov.au or call Centrelink on 13 61 50.

The CCS will be based on an income assessment and activity test conducted by Centrelink and is designed to further reduce the cost of child care for low to middle income earners. Relief for up to 85% of the fees is available. The graph below provides some guidance as to the amount of CCS available based on family income.
