- be on time and bring all the books and equipment they need
- raise their hand to ask a question
- listen to other students with respect
- ask permission before using school equipment or other students' materials
- have confidence in their own work; cheating or copying is defeating oneself and carries penalties.

Outside school

The safety of students and the reputation of the school are the main considerations when students are outside school. Accept that student leaders have the authority to call your attention to breaches of the following rules and to report you.

1. When in public be considerate of others by watching where you walk, not running, shouting or causing offence.
2. Take care not to block access by members of the public (either by your person or your bag) on transport, footpaths, platforms, stairs etc. Do not sit on the ground in these places
3. It is a condition of your travel pass that you give up your seat on public transport to a paying passenger. Passes can be cancelled for not doing this
4. Always use pedestrian crossings and obey traffic lights
5. Travel by the most direct route to and from school. Where possible do not travel alone. Students are encouraged to report any incident where they think their safety has been threatened.

In relation to all matters to be investigated, students will be informed of the nature of the allegation and given an opportunity to respond to the allegations.

If you believe that you have been treated unfairly:

Usually, in the first instance, you should calmly approach the person with whom you have the grievance. Talk to the person about the problem—seek a solution that satisfies everyone's needs.

Speak to someone with whom you feel comfortable: e.g talk to one of the School Counsellors, School Nurse, Form Teacher or Year Coordinator about the problem.

Explain the grievance: include who was involved, what happened, what you did and what you believe was unjust or unfair. You may bring someone with you for support. It is good if you bring along the details

in writing. Speak to your parent(s)/caregivers if you feel the issue is still unresolved.

Arrange a time to speak to the Deputy Head if you feel the grievance has not been addressed.

Arrange a time to speak to the Head of School if you feel the grievance has still not been addressed.
